### TIPS FOR PRINTING & USE:

If possible, print on card stock and laminate or cover with clear contact paper for durability.

#### Ideas for use:

1. Have children use the butterfly cards to continue the pattern on each long strip card.
2. Make up your own patterns using multiple copies of the butterfly cards.
3. Use the butterfly cards for other activities besides patterning. Discuss similarities and differences between individual butterflies, turn over two of each kind and have children find matches (concentration- or memory-style), use the cards as a bulletin board display, etc.
