TIPS FOR PRINTING & USE:
If possible, print on card stock and laminate or cover with clear contact paper for durability.

Ideas for use:
1. Cut cards apart or leave together as "posters" with four animals each.
2. Use as "words of the day," as flashcards, or for basic introduction and review. Encourage children to repeat animal names in French.
3. Make two copies, mix cards, and match.
4. Discuss animals and their names: how are the animals or their French names alike? How are they different?
5. Play "I Spy" type games with cards: Can you find an animal that lives in the sea? that flies? that ends with -n? that is a hunter? (answer with French names)
