TIPS FOR PRINTING & USE:

If possible, print on card stock and laminate or cover with clear contact paper for durability.

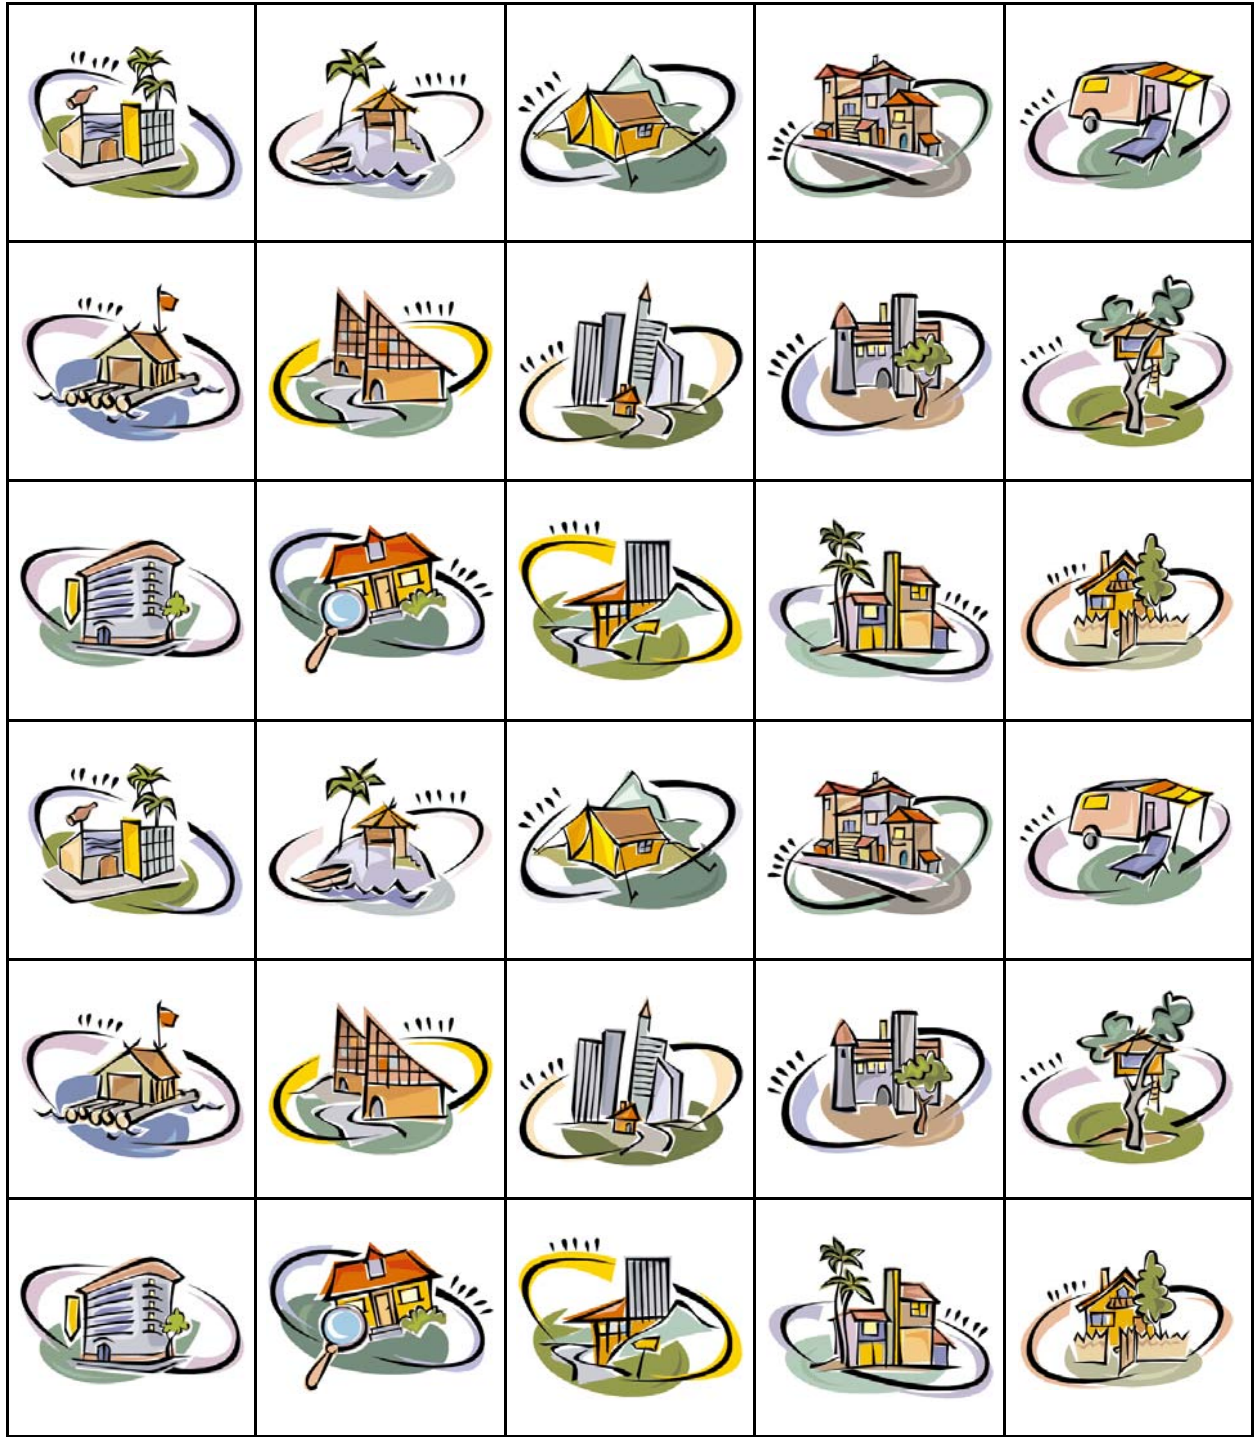

Ideas for use:

Who can collect the most homes?

1. Print copies of page 2 and give one to each player or team. Print page 3 back-to-back with pages 4 to 7 and cut out as cards. Place cards either inside a bag to conceal the pictures and words, or place them **word side up** in a pile between players.
2. Players pick one card per turn and read their word out loud to the group. If there is a space on their board with a matching picture, they may cover that space. If there are no matching spaces, place the card to the side.
3. Play continues until all cards have been used. The winners are the players with the most different types of homes covered on their boards, and the tie breaker (overall winner) is the winner with the most duplicate cards (second copies of homes on board bottom).
