3) _____

If I was an ant, life would be so much
different! I would be too small to

and I would never be able to

Every day I would

but the worst thing is

Even ants have good things about their life.

For example,

I suppose you could say that I like most
animals, but there are one or two I could
live without! For example,
are
and
are just _____ !

On the flip side, I really like

_____ because they

_____ or

_____ because

My favorite day of the week is probably _____
because _____

On this day I always _____

and I also usually _____

Sometimes on this day _____

When my birthday or a holiday is on a _____

As the owner of the newest ice cream
shop which I call "

_____, "

I have invented two new flavors for you to
try. Come on down and taste-test a scoop of

made with

or a big bowl of

Decorate your ice cream flavors.

I know animals can't really talk, but
sometimes they can still let you know what
they want. For example, when a dog

it means

When a cat

it usually means

One of my favorite animal messages is

There are so many things you can do
with trees! Of course, the most common
thing to do with them is

but I also like to

A long time ago, people used to

and even today, people still

My favorite thing about trees is

Wouldn't it be great to have a robot do
all your chores for you? If I had one, the
first thing I'd have it do is

_____.

Then I'd program it to

and

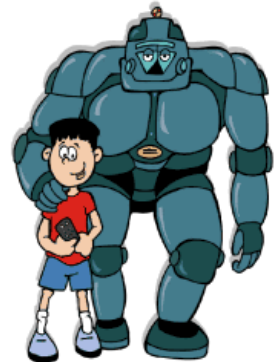

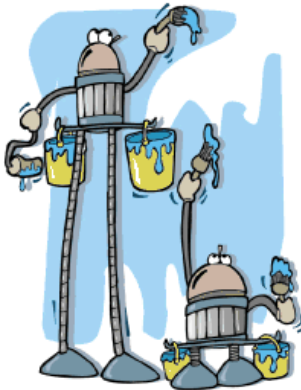

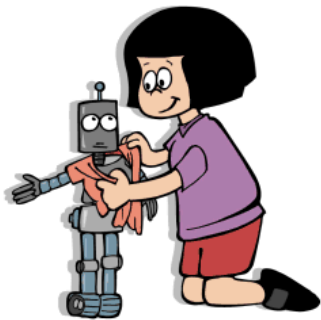

_____.

Of course, I wouldn't want it to

or

_____.

The best thing about having a robot would be

Why isn't there a law against

?

If I made the rules, I'd take care of that, but

I would also

and

No one would ever

but everyone would

I would also make sure that kids

It is easy to grow

First get everything you need:

Next,

and then

Don't forget to

At first you may not see any changes, but
